Stay Away from the Flu

- Flu Vaccine Shot...**Even if you get flu shot, you might still get sick. But, it is reported that the flu shot reduces the risks of severe symptoms. Get the shot, and prevent spreading it to other people.
- Handwashing...**Handwashing is the effective way to remove virus from your hands. It's the basic for any kinds of infection prevention.
- Proper Humidity...**Dry air weakens defense function of your throat and increases the risks of getting the flu. Humidifier can help maintaining proper humidity between 50-60%.
- Enough Rest and Balanced Meals...**Have enough rest and balanced meals on daily basis to boost your immune system.
- Avoid Crowds...**In the flu season, it's better to refrain from going out to crowded and busy places. If you need to go out, wear a mask and make it quick.

Shin-Ei Day care Sports day

The 15th Shin-Ei Day care Sports Day was held on Saturday, September 23. This year's Sports Day was held on a shortened schedule in order to take full precautions against covid. It was a day when the children really shined, showing off the results of their every morning running and dancing practices at the park.
