#### Request for presentation of the statement of the tax deduction

Present the two guides (statement of deduction of tax) that were sent along with the hollerith. Fill in the necessary items and submit along with related documents. If this statement does not appear, the tax calculation will be conducted as if there were no dependents (even if the person has dependents). For those who have worked in another company this year please enclose voucher the retained tax at source (Guensen Choushuuhyou).

#### Review of Tokyo Marine vehicle insurance

In October the insurance Tokyo Marine suffered a Review. There were several minor changes, but we will inform the most important items.

- ① Spending review at the car rental  
Renovated clause which makes possible the use of rental vehicles, even involving accidents that do not require tow truck`s.
- ② Greater coverage at offsetting the vehicle in case of total loss.  
Automatically the person to sign up for insurance damage the vehicle itself, will be paid 10% more insured value of the vehicle in case of total loss (being a maximum of 200,000 yen and minimum of 50,000 yen).
- ③ Expansion in clause enabling the vehicle registration in the special insurance new cars.  
It increased the time that the new vehicles can sign up for this insurance (up to 37 months for up to 61 months).

#### Undokai of Shineilândia

Was held last September 26 (Saturday) the eighth Undokai of Shineilandia. The event was a lot of fun as long as the presence of more than 250 people. All children were able to demonstrate all the dance training, running and others who had every morning in the park. It was a day that the children could really gleam.
