Those who have dependents deliver the

copy of the notification of dependents as well.

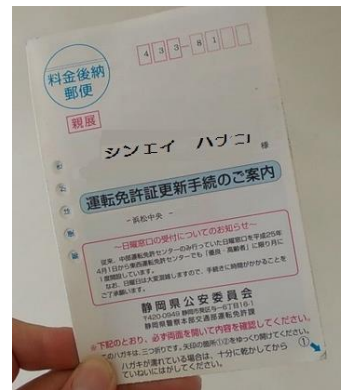

Caution of the deadline for renewal of Driver`s license !

When the deadline of the license renewal approach, there will be a notice through postcard [Renewal Notice of Driver's License – Unten Menkyosho Koushin no Oshirase]. The deadline for application is 1 month before and 1 month after the anniversary. • If you do not get the postcard . . .

The postcard is sent to the registered address on the license drive. People who have moved and have not updated the address, there is the possibility of the postcard did not arrive. But even without the postcard is to renew the license, personally going to the particular location.

• If you forget to renew license . . .

If you forget to renew your license, you will need to do new tests (written and practical) within six months maturity. After six months to a period of one year, the provisional license will be issued (Karimen). (This applies only to those with normal, chugata and oogata license). Exceptions for cases is on trips outside Japan, be hospitalized in hospitals, etc ... If there is a valid reason and a presentation of documents that can prove the fact, until three years after the expiration of enabling a new license may be required clearance since seje within one month.

Lesson preparation Obento!!

On the 27th of June (Saturday) at the offices of SHIN-EI Sogo Service took place the seventh practical class obento preparation. With a serious expression dads and moms listened to the explanations given for the preparation of obentos of their children. To prepare a diverse obento is important to add ingredients of various colors such as red · yellow · green, and not only put what kids like, preferably insert vegetables, thinking about nutritional value. From now on, we'll make tasty and nutritious obentos with caring for our children.
