

## Reflection of the month

### Let`s review the rules of good conduct!!!

Administrative Department

## Shall initiate the My Number system ~vol.4~

As described above on the My Number, starting from October the 「notification card」 will be sent. As reported so far, the system My number is required when making transactions in the different government agencies, such as tax, social security, etc. At first time, there is no way to change the number, it will be a proof of personal identification document that will contain many important data about the person. The 「notification card」 to get in the house, you will need to purchase the 「individual card number」 at City Hall, so please do not lose and not play out in any way. Also, do not teach or show the 12 digits of My Number to third parties in any way, except to government agencies or employer. **Acquire or provide individual number of third to others entail penalties provided by Law.**

## Sample template company`s activity encourage safety with driving.

On July 21 of this year (Tuesday), the hotel Kuretakesō during the course to security administrators in traffic in east Hamamatsu, expounded the activities performed on the previous year. We are willing to strive for our employees and staffs always to drive with safety in traffic.

## Insurance for bicycle

Lately it has increased the number of bicycle accidents, so here are insurance for bicycle. At first it is not obligatory insurance for bicycle. In the case of motor vehicles, by law is required to be registered in compulsory insurance in the case of bicycles there is something similar. But, lately there are examples of reports of compensation of high values due to accidents caused by bicycles.

If you are currently enrolled in some car insurance, depending on the type of contract (individual special contract compensation) can cover bicycle accidents. (There is not only safe for bikes) the added value does not reach ¥2,000 annual. If you are not subscribed to any car insurance, you can sign up for insurance against damage or kyouzai covering up to 100 million depending on the type of contract. Take this chance and think about safe biking. Those interested, please fill out the paper down and delivered to your tantousha or contact by telephone; 090-7856-0286 (Sincero, Mr. Kawaguchi)

## Rigorous traffic penalties to the bicycle user

On 1 June, there was a revision in road traffic law, with some items already in place, such as rigorous penalty for traffic infringers bicycle users. The infringer will be subject to take the course of security for bicycle users if you have more than two traffic accidents in less than three years or commit infractions with a fine.

Example of infringement: **Traffic across the sidewalk, traffic on the right side of the street, traffic with one hand with umbrella, cell phone, etc.**
