

## Reflection of the month

### In the difficult moments that really grow

Administrative Department

### Please submit the My Number

Already presented the My Number? We have seen informing a few times in the Shin-ei News. From January 2016 is required My Number in the procedures of Tax and unemployment insurance. Those who have not yet submitted please provide as soon as possible. If the My Number still has not arrived, contact the prefecture or sub-prefecture references your neighborhood. In the case of absence in the delivery, it may be that the My Number returned to city hall or ward office. In this case go get the My Number directly at the counter. Necessary presentation any identify (driver's license, zairyu card, etc) in order to receive the My Number on the counter. It is possible to withdraw the residence certificate with the inscription My Number (please check the city hall counter or sub-prefecture).

※ Thank you very much to people who have had the My Number.

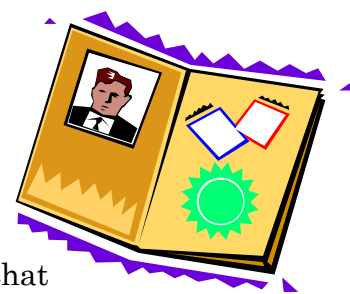

### You know the merits of the certificate of eligibility?

Entering the request of eligibility, have equal evaluation when renew the visa here in Japan. If approved you will receive the certificate of eligibility by the Japanese Immigration. Taking this eligibility certificate at the Japanese consulate in the country the visa will be issued. The merit and that the visa will be issued much faster to enter their own country.

\*Statement by the person "M" that made eligibility by Shin-ei. "I always wanted to bring my daughter and my brother to Japan, but they told me that because of my income that was not possible. After thinking in various forms I decided to ask the Shin-ei. The president of Shin-ei remained the guarantor, with this in less than one month was delivered at home the certificate of eligibility of 4 people. I was very happy about it.

Anyway we can live the whole family together. This was possible because working in Shin-ei and the president was the guarantor. I am very grateful"

Can be laborious to prepare the documents to get eligibility, but there are several merits. The documents required to take the eligibility can vary from person to person. Any questions contact our office (053)472-6099
