

Words of the Month

Let's Overcome the Difficult Time Together!

Management Dept.

Children's Day

Children's Day on May 5th is a day to celebrate the great growth of children. It was originally an event to avoid illness and disasters, but it became a day to celebrate the healthy growth of boys. Now, it is an event to celebrate not only boys but all children including girls. On children's day, for good fortune, people display carp streamers, eat Kashiwa mocha and take a bath with iris leaves. Carp streamer represents parents' hope for children growing strong like carps that swim against the heavy current. Kashiwa mocha is considered as a luck bringer because the Kashiwa leaves never fall until new burgeons have roots in the tree, and it inspired the idea that family line never fails. It is said that if you take a bath with iris leaves, the strong scent of iris leaves drives away the illness and bad sprits. Would you want to try the traditional Japanese events at your home?

Information from Futuro

On April 9, Futuro members made homemade Brazilian food. Brazilian beef stew was delicious, and beef was tender and juicy. We enjoyed many Brazilian cuisines like beans and palm stalk. There were many smiles and conversations which we don't see in regular work days. President and Shin-Ei staffs also joined with us and enjoyed time together. It was like having a weekend-lunch in Brazil.

Extension of the Validity Period for Driver's License

Due to the epidemic, people are requested to exercise voluntary restraint not to go out. The Metropolitan Police Department decided and announced temporarily suspension of the license renewal service from April 15. License Centers in Shizuoka also takes the special measures for validity extension. If you have the license valid until July 31, 2020, you need to go to the license center and apply for the 3-month extension. (Please note that this is NOT an automatic extension. You need to meet conditions to get the extension.)

* Extension measures are different from actual "renewal". The validity term is only extended; you still need to renew the license at some point.

License Center Office Hours: Monday to Friday, 9:00 to 12:00 and 13:00 to 16:00
