Disability Certificate

There are several assistance services so that people with physical disabilities can live more easily in their daily lives and participate in social activities.

- ① Discounts on public transport fees, such as trains and buses
- ② Discounts on toll road
- ③ Tax reduction systems for Residential Tax, Income Tax, Automobile Tax and Automobile Acquisition Taxes, etc.

These services are available to people who have acquired a certificate for the Physically Disability or Intellectual Disability, depending on the disability grade. For more information, please contact the Department of Support for Social Integration "FUTURO" (Tel 053-488-7007).

Message from SINCERO

Even after leaving Shin-Ei, there are customers who continue with Car Insurance with automatic debit payment, but lately there have been cases where payment could not be debited from the account and the insurance has been canceled.

In this case, the policy issued will become invalid and, the next time the customer want to get the car insurance at another agency, he/she may have to carry out complicated procedures, such as rating assessments and contract corrections, so please pay attention on this matter.

Final Tax Return (Kakutei Shinkoku)

Final tax return can be filed as below. During this period, the Income Tax Sector (Zeimusho) will not be open to receive Tax Returns. Designated locations will be open during the week, and some locations may be open on Sundays. People who need to file try to go someday that does not interfere with your work. This year, to avoid congestion, an "entrance ticket" will be required to enter the site. (See address below)

In addition, use the "e-Tax from home" to reduce the risk of infection. On the website of the National Tax Agency in "Field for issuing the Tax Declaration", you can create a tax declaration by entering the amount according to the steps on the screen. The created tax return can be submitted using e-Tax. You can also print it out and send it by mail. (See link below)
